## More on our sizes

1. If you wear M&S, our XS coincides with their size 8, S with size 10, M with size 12, L with size 14, and XL with size 16.
2. If you wear Zara, our XS to XL sizes are inline with their size chart measurements.

These indicate body measurements and their equivalent sizes, and are not indicative of the dimensions of the garment. Fits may vary by style and personal preference, so for assistance please feel free to get in touch with us at [care@tbdwear.com](mailto:care@tbdwear.com), and we can help you pick the size that is best for you.
